WELCOME BACK!

We are very excited to return for another fun filled year of dancing after a busy and successful 2016. We look forward to welcoming back all our current students and meeting all our new friends we hope to make over the coming year. Our new term commences on **Saturday, 7th January.**

Now is the perfect time to shed those extra kilos that we all gained over the Christmas Period. Ask Phaedra or Marcia about the different exercise and dancing classes available throughout the year. It's the ideal way to exercise every part of your body and avoid the boring monotony of the gym!!

January
2017

Did you know we have dance classes for adults in various disciplines?

We offer an adult Modern class which is a great way to gently exercise whilst learning fun routines.

We also have adult tap classes / Flamenco and Belly Dance classes for those who want to try something a little different.

For those who feel a little more energetic then why not try our Adult Burlesque class for a chance to learn fun, flirty dance routines and make new friends.

After further success in the Ballroom branch examinations in 2016, our next examinations in the Stage branch is scheduled to take place in the early part of 2017.

In over 30 years we have achieved 100% pass rate in all examinations thanks to the hard work and discipline of our teachers and students. Exams and awards are available in all branches. Dates to be confirmed.

SHOW TIME

Preparations are underway for our next grand extravaganza to be held in the early part of 2017. We hope to continue our success in raising valuable funds for various charities throughout the community whilst staging successful shows for all to participate in.

Further information will be available soon for our Oscar themed show and rehearsals are already well underway!
